Product Description:

One of our most popular products. Window Sheen is a commercial strength glass cleaner. It is formulated for use in tough, industrial situations. Hotels, auto detailing, commercial buildings, etc. usually have dirty glass, mirrors and other surfaces.

Window Sheen's unique blend of solvents and surfactants will easily clean the surface and create a streak free shine.

Window Sheen is a concentrate. It works better when diluted with water. Dilute from 12 to 1 to 20 to 1 with water to achieve desired strength. Use at 12 to 1 for heavy duty cleaning. This is perfect for automotive detailing and commercial building use. Use at 20 to 1 for light duty maintenance cleaning.

Window Sheen is designed to remove plasticizer build-up, and cigarette smoke residue from glass in cars and hotels.
